# BE A BULLDOG

### Respectful

Being respectful means treating others the way you want to be treated. This includes being truthful, listening, and taking into account others' feelings, thoughts, and needs. It also includes being considerate of the physical environment and possessions of those around you.

### Responsible

Responsibility begins with taking care of yourself and your belongings, working with a positive attitude, resolving conflicts peacefully, and owning up to mistakes. It also involves knowing expectations, keeping commitments, trying hard, and not making excuses. Be willing to accept the outcomes of your actions and choices.

### Safe

Safety is being protected from danger or harm and includes physical, social, and emotional environments. Safety supports learning by creating and promoting a comfortable and consistent climate for students, staff, and visitors.
