## T.H.O.R. BADGE

THOR stands for Teachers Honoring Our Results. It is a reward/incentive program for students to promote positive attendance, grades, and discipline a school. Students must be enrolled in at least five credits, either at Elida High School or in combination with CCP courses. CCP courses may count toward multiple credits based on the number of hours. **Making the Honor Roll does not necessarily qualify you for a THOR Badge.** The requirements for the THOR Badge are as follows:

**Attendance:** Students may not have more than three excused absences for the quarter. College visits, school sponsored activities and field trips do not count toward this total; however, vacations are counted as absences. Students are not eligible for the program if they have any unexcused absences during the quarter.

**Grades:** Students must have all "A's" and "B's" and no more than one "C". Students cannot have any incomplete grades on their grade card.

**Discipline:** Students must not have more than one detention. This includes teacher or administrative detentions. Students who have been assigned Tuesday-Thursday School, Saturday School or who have been suspended are not eligible for the T.H.O.R. Reward Badge.

**Appeal Process:** Any student who did not receive a THOR Badge due to extenuating circumstances may file a written appeal with the Assistant Principal **within 3 days** of badge distribution. The written appeal and copies of grades and attendance will be given to a group of teachers to approve or deny the appeal. If appealing absences due to injuries received in school sponsored events, verification may be required from the school trainer or a physician.

All teachers will participate to the extent that their class curriculum enables them. **Advanced Placement, College Credit Plus courses, etc. may have requirements that do not allow for students to use homework passes and/or incentives.** Teachers will notify students as to how they will accept the THOR badge for use in their classroom.

Any student who earns a THOR badge for each of the first three quarters of the school year is eligible to receive an incentive reward at the end of the year.

## SKILL GROUPS

Throughout the year, as part of Positive Behavioral Intervention Support Team (PBIS) at Elida High School, your student may be offered participation in small groups for a variety of skill development opportunities. Small group sessions are intended to help students strengthen and manage his/her social skills, executive functioning skills, and/or ability to be successful in the academic environment. If you are opposed to your student being included in these groups and activities, please submit your written request to be excluded to the principal's office by September 15 or ten (10) days after enrollment into Elida High School.

If you have any questions or concerns about your child's participation or progress in these groups, please contact the school social worker in the guidance office at 419-338-6801.

## SECTION I: ATTENDANCE

**A 24-hour attendance line at 419-338-6801, Option 1 is provided for your convenience outside of school hours.**

The staff of Elida High School is committed to providing a high quality education to our students. To achieve this goal, students must consistently be in attendance at school. All students are expected to be in all classes **including study halls and lunch**. Attendance and promptness to class is the responsibility of each individual student and his/her parents or guardian. Attending classes regularly and being on time allow students the opportunity to positively benefit from the instructional program as well as to learn the necessary habits of punctuality, self-discipline and responsibility.

Excessive absences cause a disruption in the learning process. Make-up work is not an adequate substitute for classroom work. Students who display a good attendance record generally achieve higher grades, are more self-confident, enjoy school more, and are more employable after leaving school. Therefore, to insure the highest level of success for each of our students, Elida High School will work cooperatively with parents and students to promote increased student attendance. Our policy is based on state attendance standards as well as clear and enforceable guidelines.

Ohio law entrusts us with accounting for the attendance of all students. Both Students and parents/guardians are bound by Ohio attendance requirements. Such requirements state that students must be present at school unless excused for one of the following reasons listed below (Section C). **The determination as to whether an absence is excused or is unexcused rests with the building administration.**

**\*Physician's certificate must be an original or verifiable fax from a physician's office.**

- A. Parents/Guardians may medically excuse their student for the equivalent of 10 times during the school year. Time missed from a "medically excused absence" does not count towards a student's excessive absence threshold. Additionally, parents/guardians may excuse their student for an additional 5 times but these hours will count towards the student's excessive hour threshold. After this threshold is met, a physician's note may be required. Once a student is required to have a physician's note, the Principal or the Assistant Principal would have to excuse and absence without documentation. Prolonged absences in a row for one illness may count as one absence occurrence that a parent/guardian may excuse their son/daughter if approved by the administration.
- B. **Steps to follow when a student is absent.** It is the Parent/Guardian responsibility to call **419-338-6801** each day to explain a student's absence, or the student must present any documentation from their absence to the Activities office **on the day the student returns to school. A student will be considered unexcused until documentation is on file. Disciplinary action may be considered if absences are considered unexcused. Potential Consequences for Unexcused Absences are Administrative detention, Tuesday-Thursday School, Saturday School, or In-School Alternate Placement. The determination as to whether an absence is excused or unexcused rests with the building administration.**
- C. **Excused Absences** include:
  - 1. Personal illness and/or medical appointments
  - 2. Severe illness in the immediate family
  - 3. Death in the family
  - 4. Religious observances
  - 5. College visitation with **prior approval**
  - 6. Family vacation with **prior approval**
  - 7. An emergency or set of circumstances, which in the judgment of the principal, constitutes a good and sufficient cause for absence.
- D. **Unexcused Absences** include:
  - 1. Oversleeping/Sleeping In
  - 2. Missing the bus
  - 3. Baby-sitting
  - 4. Car problems without a police report
  - 5. Truancy
  - 6. Any organized skip day
  - 7. Suspension
  - 8. "Personal Reasons"
  - 9. Other absences as determined by the administration

## EXCESSIVE ABSENCES

It is important for every child to attend school every day. In an effort to address truancy among students, the Ohio General Assembly has passed a truancy law, House Bill 410. Under this law, **all Ohio schools** are mandated to enforce House Bill 410 in an effort to reduce the number of truant students. Elida High School will work with students, staff, parents/guardians, and outside community organizations to address truancy issues. House Bill 410 requires the following:

- Attendance tracking has changed from **days of school to hours of school**. Students are considered to have **excessive absences** if they miss **38 or more excused or unexcused hours** of school in a single month; or **65 or more excused or unexcused hours** in a school year. This will result in a warning letter being sent home.
- Students are considered to be a **habitual truant** if they miss **30 or more unexcused** hours consecutively; **42 or more unexcused** hours in a month; or **72 or more unexcused** hours in a school year.
  1. Upon a student reaching the threshold of habitual truancy, **the parent/guardian will be notified in writing and contacted by phone** to set up an Absence Intervention Team meeting. The Team may consist of school staff, the child's parent/guardian, and/or an individual from an outside community organization that can offer assistance with lowering student absences.
  2. **The student and the parent/guardian are mandated by law to actively participate** on the Absence Intervention Team. **Failure to participate and comply will result in truancy filing on the student and/or parent/guardian.**
  3. **If the student fails to comply with the Absence Intervention Team's plan, it will result in mandatory filing of truancy with the Allen County Juvenile Court.**
- If students continue to be truant, the superintendent may notify the Registrar of Motor Vehicles and Juvenile Court for purposes of recommending suspension of a student's driver's permit/license.
- If students continue to be truant, the superintendent may revoke or deny any work permits that have been issued.

## APPOINTMENTS DURING SCHOOL HOURS

Medical, clinical, dental or legal appointments should be made after school hours. Because this is not always possible, the student will be excused from school with documentation from the professional staff regarding the appointment time and duration of the appointment. **Documentation must be original; a copy can be made at the school if you wish to keep the original.** Documentation is due upon return to school or next A.M. Back dated notes **may not** be accepted.

Students are expected to attend class before and after appointments. When leaving the building during the school day for an appointment, the student must sign out (with permission from parent/guardian) in the activities office. Upon returning to school from an appointment, the student must sign in at the activities office and receive an admit slip to class. **Failure to adhere to sign-in and sign-out policy may result in disciplinary action being taken.**

## ABSENCE AND EXTRACURRICULAR ACTIVITIES

A student's absence on the day of an athletic event, school production, or any other extracurricular activity will render the student ineligible for participation in that day's event (including practices and rehearsals). Students must be in attendance **the last four regular class periods of the day and Bulldog Period** to be eligible to attend and participate in school-sponsored and/or extracurricular activities that day. Exceptions would be a student leaving school for a documented appointment, funeral or other justifiable absence other than illness that has been pre-approved by school administration.

## ADVANCE ABSENCE NOTIFICATION FORM FOR VACATIONS, COLLEGE VISITS, AND OTHER ABSENCES.

The staff of Elida High School asks that parents make every effort to schedule their vacations in conjunction with the Board of Education adopted school calendar. Although students have the opportunity to make up work missed, it is never possible to regain the information and learning experience provided by the daily classroom instruction and activities.

Any student wishing to be excused from school for a family vacation, college visitation, military meeting, or other pre-approved absence must obtain an Advance Notification of Absence Form from the Activities office or school website. This form must be filled out with teacher and parent's signatures and returned to the Activities Office **at least 2 days prior to the vacation, college visitation, or other absence** or the absence may be considered unexcused.

Students who take a vacation during the school year and follow the procedure for advanced notification will be excused for up to 5 consecutive days. The hours from these absences will count towards a student's excessive absence threshold.

Students participating in the Allen County Fair must submit an Advance Absence Form to the Activities Office. Students will be encouraged to attend school during this time when able but will be excused from school when it is necessary they be in attendance at the Fairgrounds. This will be considered a Field Trip opportunity for those students and these hours will not count towards their excessive absence threshold.

College visitations should be arranged in consultation with the student's guidance counselor. The student's counselor needs to sign the form indicating awareness and approval of the visitation. College visitation are limited to 3 days total per year and are only for 11th and 12th graders.

Students requesting absence prior to semester or final exams are discouraged due to the importance of the completion of these tests in a timely manner. Students will be required to fill out an additional form that they can get from the Activities Office that will layout the plan for the student to make up and complete their exams.

**The request for excused absence may be denied for the following reasons:**

- If the student's YTD average is below 70% in two or more classes
- If yearly excessive absence hour threshold has already been reached
- If the request for extended absence of more than five school days (additional days past 5 may be marked as unexcused)
- More than one request for an extended vacation absence in the school year

It should be noted that the student may be required to hand in assignments or take tests on the day of his/her return to school. Teachers are not responsible for allotting time for tutoring upon their return to school. Students should make use of resources such as Schoology to communicate the need for additional instruction or clarification with their teacher ahead of time.

### **EXCUSED ABSENCES (MAKE-UP WORK)**

The basic rule to follow is that a student is given time to make up work missed during an absence, which should not exceed the number of days absent. A student's grade will not be reduced due to an excused absence if the student's work is completed in this time frame. **It is the students' responsibility to initiate contact with their teachers regarding work missed during an absence and make the appropriate arrangements for make-up work.** Students are encouraged to make contact if possible on the day they are absent through Schoology. **Schoology may be utilized to deliver coursework work to the student.** If a student is absent for any length of time, the assignment(s) can be obtained by contacting the student's teacher(s) through Schoology.

**The following guidelines should be followed towards make-up work from an absence:**

- The first day a student returns will be considered a "contact" day so that assignments and materials not available on Schoology may be obtained.  
For example: If a student is absent on Monday and returns to school on Tuesday, Tuesday will be considered a "contact" day and assignments will be due on Wednesday.
- The expectation for a student that misses **only the day of a test/quiz** is that the student will take the test/quiz the day that he/she returns to school.
- If a student is absent the day(s) before the test/quiz, it is the student's responsibility to set up a time to make-up the assessment with the teacher upon their return to school. If no new material was provided to students during the absence, they may be expected to take the test on the scheduled test day at the teacher's discretion if notification of the assessment was available to them on Schoology.
- If a student is absent during a period of time when work from a previous absence is being made up, the deadline for the work to be turned in should not change unless the student is physically unable to do make-up work during the second absence. If a student is absent on the date make-up work is due, the make-up work is due on the day the student returns to school.
- In classes where participation grades are given, the student will not be penalized for an excused absence.

## UNEXCUSED ABSENCES (MAKE-UP WORK)

If a student (including suspended students) has an unexcused absence, assignments **CAN** be made up, credit will be reduced to 67% of that which a student normally would have received. Students, except for students who have been suspended, have **five** school days to have an absence changed from unexcused to excused for the purpose of received full credit on assignments and classroom work. A Student, except for a student who have been suspended, will follow the excused absence policy to determine when classwork and assignments are due. Suspended students' classwork and assignments will be due **two** school days after their return from suspension. The assignment(s) should be obtained by contacting the student's teacher through Schoology.

## INCOMPLETE POLICY

An "I" (incomplete) may be given at the end of a grading period. The administration will determine the time frame that students have to complete any coursework that caused a grade to be considered Incomplete. Any assignments not made up during that time period will result in a zero (0).

## QUARANTINE EXPECTATIONS

It may be necessary for the school to quarantine students from time to time due to health related circumstances. If a student is asked to quarantine they will be expected to complete their school work remotely through Schoology. Student absences labeled quarantine do not count against a students' attendance hours.

## REMOTE LEARNING

If circumstances necessitate the need for the entire building to have a remote learning environment, Students and Parents will be notified by the administration. At this point, students will be expected to complete school work through Schoology. Attendance will be tied to a student's submission of work for that day. If a student fails to submit work to their teacher by the given deadline, they may be considered absent from school that day.

## PERFECT ATTENDANCE AWARD

To qualify for a perfect attendance award, a student may not be out school for more than one hour at any time during the school day for an excused appointment. Documentation must be returned to the office for any appointment upon return to school. College visits approved through the office do not count against perfect attendance. Student absences due to quarantine will not count against their perfect attendance provided they stay current on work through Schoology.

## TARDY TO SCHOOL

All students entering school after 7:40 A.M. must report to the Elida High School Activities office, sign in, and receive an admission slip. The teacher will not admit the student to class without a valid admission slip. Students arriving during first period will be considered tardy. **Students arriving after first period will be considered Partial Day Unexcused and may receive a Tuesday or Thursday School assignment.** The discipline procedure for Tardy to School will be as follows:

- 1st and 2nd Tardy to school in a semester will result in a warning
- Any additional tardy to school in a semester (i.e. 3rd, 4th, 5th, etc) by a student will be issued a lunch detention to be served that school day. The student may be asked to complete the work from their 1st period class during this time.
- Student's will be told to report to the lunch detention location after getting their lunch, failure to do so will result in progressive discipline.

## TARDY TO CLASS

For the purpose of consistency, classroom tardiness is defined as a student not being in his/her "assigned location" at the conclusion of the tardy bell. A teacher may define "assigned location" in her/his classroom rules. Students have the responsibility to be familiar with individual teacher expectations and teacher-imposed penalties for classroom tardiness. Discipline for Tardy to Class will be as follows:

- 1st and 2nd tardy to class in a semester – Warning
- Any additional tardy to class in a semester (i.e. 3rd, 4th, 5th, etc) by a student will be issued a teacher detention.
- Students failing to serve the teacher detention will be referred to the office for progressive discipline.

## SECTION II: PORTABLE ELECTRONIC DEVICE

### PORTABLE ELECTRONIC DEVICES & HEADPHONES/EARBUDS

Students may use cell phones and other portable electronic devices in the building during the following designated times within the guidelines listed below:

1. Before school until the bell rings at 7:40 A.M.
2. Following school after the bell rings at 2:37 P.M.
3. During their lunch periods, only while in the cafeteria (commons).
4. In a Teacher's classroom, if allowed by the teacher.

Keep personal electronic devices concealed at all times when in the hallways or restrooms while school is in session. If a student chooses to carry a device, it is the student's responsibility to transport it without it being visible in the hallway to staff members.

Headphones/Earbuds will be removed once a student enters the building. Headphones/earbuds must remain concealed when in the hallways. This is a safety concern. If a student has their Headphones/Earbuds on in the building they will be asked to remove them. If they have to be continuously asked by staff to remove them, then they will be confiscated and taken to the office. In addition, Administrative Discipline may be issued.

The staff of Elida High School recognizes the cell phone and other electronic devices as valuable learning tools when used appropriately in the classroom. Teachers may choose to incorporate the use of cell phones and electronic devices in their lesson plans. Teachers may grant permission for the use of headphones/earbuds during their regular class period. **Students who use their cell phones for reasons other than educational purposes during class time may lose the privilege and will have their phones confiscated by the teacher.** The classroom teacher has the right to set his/her policy for the usage of electronic devices in their classroom. The teacher will display a Red, Yellow, or Green sign to communicate the expectation for his/her classroom.

- |          |   |
|----------|---|
| Green –  | The teacher is allowing the use of an Electronic Device and/or Headphones Earbuds. Students are expected to follow all expectations as to what they can and cannot do with their devices during this time. Students should be aware that when they leave a "Green" zone in the building, that their devices must be put away and not visible. |
| Yellow – | At an appropriate time in class, the teacher is going to allow use of an Electronic Device and/or Headphones/Earbuds. No Electronic Device or Headphones Earbuds are to be visible in the classroom until the teacher states that the students may get the device out for use.  |
| Red –    | All devices shall remain silent and concealed during the class period. No Electronic Device or Headphones/Earbuds are to be used or out in the classroom at any time.   |

In addition, students who violate the AUP when using a cell phone or electronic device for class work may have their network access denied or withdrawn, and they may be subject to additional disciplinary action. **Students are not permitted to use the photography or video applications of their cell phones during the school day** without permission from a supervising teacher or principal. **Students are not permitted to make personal calls at any time from their phones during the school day**, if they need to make a phone call they should come to an office. Students are not permitted to use cell phones or other portable electronic devices as speakers for music in the building without permission from a supervising teacher or principal. Students are not permitted to charge their devices unless they ask for and are granted permission by the classroom teacher.

If a student fails to follow the classroom policy of the teacher, the discipline procedure will be:

**1st Infraction for the School Year – Warning by the Classroom Teacher**

**2nd Infraction for the School Year – device is confiscated and returned at end of the day, teacher detention is issued**

## SECTION IV: DISCIPLINE

### CLASSROOM RULES AND TEACHER AUTHORITY

Every student is under the jurisdiction of all teachers, regardless of whether or not the teacher has the student in class.

All students are expected to respect the authority of the teachers. Students should learn what each teacher expects in the classroom and adjust accordingly to the varying techniques used in teaching the different subjects. Both teachers and students should work toward establishing a mutual respect for each other's abilities, so that maximum educational benefits will be realized. **The teacher has the right to determine classroom rules in each class, and the organization and discipline that is most conducive to his/her method of teaching.**

### DETENTIONS

Detentions are to be served when assigned by the teachers or administrators. The earliest imposition of a detention for an infraction will be for the afternoon of the day following the day on which the infraction occurred. Detention is to be served with the classroom teacher or administrator who has assigned the detention. The primary objective of this disciplinary action is to detain the student for a given period of time that is inconvenient for the student. Detention may be assigned in the A.M. (if that is the choice of the teacher) as long as one days' notice is given.

A student who fails to meet their obligation and responsibility to serve an assigned detention will meet with the teacher to determine why the student has failed to serve. The teacher may then refer the student to the office for failing to serve the detention.

### FAILURE TO SERVE DISCIPLINE / ACCUMULATION OF DISCIPLINE

- **Failure to Serve Detention-** If a student does not serve his/her detention, a Tuesday or Thursday School will be assigned.
- **Failure to Serve Tues-Thurs School/Saturday School-** If a student does not attend Tuesday-Thursday School, he/she will be required to make up that assignment and may have additional Tuesday-Thursday School's assigned. Student may also be assigned a Saturday School
- **Violation of Tues-Thurs School/Saturday School Rules-** If a student is in violation of Tuesday-Thursday School rules, that student may be removed from Tuesday-Thursday school/Saturday School, have additional Tuesday-Thursday School's/Saturday School's assigned, or progressive discipline may be issued.
- **Accumulation of Tues-Thurs School/Saturday School assignments-** Once a student receives more than 8 Tues-Thurs School assignments; he/she may be suspended from school. A Saturday School is equal to 2 Tuesday-Thursday School assignments.

## DUE PROCESS

Due process in the context of quasi-judicial administrative proceedings, carried out by the school authorities, **does not mean that procedures used in courts or in juvenile proceedings must be followed exactly by school authorities when engaged in school-related disciplinary actions.** It does mean that clear, definite, and fundamentally fair rules of procedure must govern disciplinary actions taken by school authorities. According to Ohio law, Section 3313.66 O.R.C., a student must be given written notice of intent to suspend, with reasons for the intended suspension, and an opportunity to explain his/her behavior to the school administrator. The Elida School District will follow Due Process procedures as outlined in the District NEOLA Policy 5611.

## SUSPENSION AND EXPULSION

In accordance with Ohio law, Section 3313.66 O.R.C., the superintendent, the principal, or the assistant principal of a school may suspend a pupil from school for not more than ten days. In addition, the superintendent may expel a student from school for eighty days, unless specifically provided for in policy, which may be for up to one year. Students who are suspended out of school or expelled may not be present on school property, participate or attend any school activities or contests, or be present at activities or on property controlled by the school. Any students who are suspended from school for 10 days may have their open-enrollment terminated.

## PERMANENT EXCLUSION

Sections 3313.66, .661 and .662 of O.R.C. have been expanded to incorporate changes for Ohio's exclusion law. A student may be permanently excluded from attending any Ohio Public School for certain very serious offenses.

# **SECTION V: STUDENT & SCHOOL SAFETY**

## **SCHOOL RESOURCE OFFICER INFORMATION**

The mission of the SRO program is the reduction and prevention of school-related violence and crime committed by juveniles and young adults. The SRO program aims to create and maintain safe, secure, and orderly learning environments for students, teachers, and staff. The SRO will establish a trusting channel of communication with students, parents, and teachers. The SRO will serve as a role model to instill in student good moral standards, good judgement and discretion, respect for other students, and a sincere concern for the school community.

## **SURVEILLANCE CAMERAS AND DEVICES**

For students' safety and welfare, video surveillance cameras, and other safety-monitoring devices are placed throughout the building and school grounds and on buses. Actions recorded on these cameras may be used as evidence in disciplinary action. Any attempt to damage or interfere with the function of these devices will result in disciplinary action by the school and possible referral to local law enforcement agencies.

Due to privacy rights of students, these recordings are not open to public view.

## **SEARCH AND SEIZURE**

In order to insure the safety and well-being of all students, teachers, other school employees and guests, it is the policy of Elida Local School District to authorize its administrators to search the clothing and personal effects of students where such a search is reasonably necessary under all of the surrounding circumstances. In order to conduct such a search, it is not necessary that the administrator have probable cause to believe that a crime or violation of a school rule has occurred. It is necessary only for the administrator to have reasonable grounds to believe that a search will produce evidence that a student has violated or is violating a law or school rule. If such reasonable grounds exist, an administrator may conduct a search of a student's person or personal effects. The search shall be reasonably intrusive in light of the age and sex of the student, and the nature of the possible infraction that may have or may be occurring. Unannounced and random canine searches may also be conducted.

## **NOTICE OF POLICY ON SEARCHING LOCKERS**

Section 3313.20 O.R.C. authorizes a school board of education to adopt a policy, which authorizes the administrative staff to search any pupil's locker and the contents thereof. All lockers made available for pupil use are the property of Elida Local School District. All such lockers and the contents thereof are subject to random search at any time by appropriate school officials without regard to whether there is reasonable suspicion that any locker or the contents thereof contain evidence of a violation of a criminal statute or school rule. K-9 units from local law enforcement agency may be used in conducting searches.

## **AUTOMOBILE SEARCHES ON SCHOOL PROPERTY**

Students have been granted a revocable privilege of using school property for parking vehicles. Search of a student and his/her possessions, including vehicles may be conducted at any time the student is under the jurisdiction of the Board of Education, if there is a reasonable suspicion that the student is in violation of school rules. A search may also be conducted to protect the safety of others. Any student who exercises the privilege of parking an automobile on school grounds shall be considered to have given implied consent to a search of such automobile at any time a search is requested by the school administration. Failure to comply with a reasonable search will be considered insubordination. Unannounced and random canine searches may also be conducted.

## **STUDENT LOCKERS**

Students' right to privacy with regard to hall lockers and gym lockers is limited to the concept that these lockers provide a secure place for students to store articles of personal clothing and scholastic materials. Hall and gym lockers are owned by the school district. They are provided to students for the aforementioned purposes. Students will be held responsible for the condition of their lockers. The school expects students to maintain their lockers in a manner befitting any school property. Graffiti, either inside or outside the lockers, is not allowed. Valuables are not to be stored in lockers. The school cannot be held responsible for loss of valuables stored in lockers. Valuables should be checked into the main office. Students should not share lockers or locker combinations. Such actions compromise the security of the student's lockers.

## INTERROGATION OF STUDENTS

The school is committed to protecting students from harm that may be connected with the school environment and also recognizes its responsibility to be cooperative with law enforcement and public child welfare agencies. While the school believes these agencies should conduct their investigations off school property if possible, investigations can take place at school in emergency situations or if the violation being investigated occurred on school property. Before students are questioned as a witness or suspect in any alleged criminal violation, the building administrator will attempt to contact a parent/guardian prior to questioning and shall remain in the room during questioning unless compelling reasons for exclusion are provided by the agency. If the student is questioned as the subject of alleged child abuse or neglect, the building administrator will attempt to contact a parent/guardian prior to questioning, and he/she (or designated school counselor) will remain in the room during questioning unless compelling reasons for exclusion are provided by the agency. If the agency investigating the alleged child abuse or neglect suspects the parent/guardian is the perpetrator, neither parent/guardian will be contacted prior to questioning, but the building administrator (or designated school counselor) will remain in the room during questioning unless compelling reasons for exclusion are provided by the agency. If law enforcement or children's services agency removes a student from school, the building administrator will notify the parent/guardian.

## DRUG-FREE SCHOOLS

In accordance with Federal Law, the Elida Board of Education prohibits the use, possession, concealment, or distribution of drugs by students on school grounds, in school or school-approved vehicles, or at any school-related event. Drugs includes any alcoholic beverage, anabolic steroid, dangerous controlled substance as defined by State statute, or substance that could be considered a "look-a-like" controlled substance. Compliance with this policy is mandatory for all students. Any student who violates this policy will be subject to disciplinary action, in accordance with due process and as specified in the student handbooks, up to and including expulsion from school. When required by State law, the District will also notify law enforcement officials.

The District is concerned about any student who is a victim of alcohol or drug abuse and will facilitate the process by which s/he receives help through programs and services available in the community. Students and their parents should contact the school principal or counseling office whenever such help is needed.

### **MCKINNEY-VENTO HOMELESS STUDENT NOTICE**

The McKinney-Vento Act provides rights and services to children and youth experiencing homelessness. Children who are identified as meeting the Federal definition of "homeless" will be provided a free appropriate public education (FAPE) in the same manner as all other students of the District. To that end, homeless students will not be stigmatized or segregated on the basis of their status as homeless. The District shall establish safeguards that protect homeless students from discrimination on the basis of their homelessness.

Homeless children and youth are defined as individuals who lack a fixed, regular, and adequate nighttime residence, and include children and youth who meet any of the following criteria:

- A. share the housing of other persons due to loss of housing, economic hardship, or similar reason
- B. live in motels, hotels, trailer parks, or camping grounds due to a lack of alternative adequate accommodations
- C. live in emergency or transitional shelters

- F. live in a car, park, public space, abandoned building, substandard housing, bus or train station, or similar setting

Pursuant to the McKinney-Vento Act, an unaccompanied youth includes a homeless child or youth not in the physical custody of a parent or guardian. Additionally, pursuant to Federal and State law, migratory children who are living in circumstances described in A-F above are also considered homeless. The District will provide services to homeless students that are comparable to other students in the District. **CONTROVERSIAL ISSUES**

The Board of Education believes that the consideration of controversial issues has a legitimate place in the instructional program of the schools. For purposes of this policy, a controversial issue is a topic on which opposing points of view have been publicized and are likely to arouse both support and opposition in the community. Properly introduced and conducted, the consideration of such issues can help students learn to identify important issues, explore fully and fairly all sides of an issue, weigh carefully the values and factors involved, and develop techniques for formulating and evaluating positions.

The Board will permit the introduction and educational use of controversial issues provided that their use in the instructional program:

- A. Is related to the instructional goals of the course of study and level of maturity of the students;
- B. Does not tend to indoctrinate or persuade students to a particular point of view;
- C. Encourages open-mindedness and is conducted in a spirit of academic investigation.

Controversial issues related to the program may be initiated by the students themselves provided they are presented in the ordinary course of classroom instruction and it is not substantially disruptive to the educational setting. When controversial issues have not been specified in the course of study, the Board will permit the instructional use of only those issues which have been approved by the principal. In the discussion of any issue, a teacher may express a personal opinion, but shall identify it as such, and must not express such an opinion for the purpose of persuading students to his/her point of view.

Controversial issues may not be initiated by a source outside the schools unless prior approval has been given by the principal. All materials or activities proposed by outside sources for display on school property, at school events, for student or staff use shall be reviewed by the superintendent and/or principal related to education contribution to part or all of the school program and benefit to students, and no such approval shall have the primary purpose of advancing the special interest of the proposing group. Non-School Literature, Posters, Signs, Flags, and/or artistic depictions of these items are prohibited from being displayed and/or distributed on District Property if:

- A. The materials contain defamatory statements about public figures or others
- B. The materials advocate disruptive action and are likely to incite or produce such action
- C. There is reasonable cause to believe that the distribution or display of the material will cause a disruption to the educational environment because it contains content that one could easily believe to be aimed at creating hostility or violence towards individuals based on race, color, national origin, sex (including sexual orientation and transgender identity), disability, age, or religion.

## **RELIGIOUS LIBERTIES ACT**

The Ohio Student Religious Act of 2019 defines religious expression as prayer, religious gatherings, and distribution of materials or literature, any activity of a religious nature, such as wearing symbolic clothing, expressing a viewpoint, provided that the activity is not vulgar, offensively lewd, or indecent. This allows a student enrolled in a public school to engage in religious expression before, during and after school hours in the same manner and to the same extent that a student is permitted to engage in secular activities. This gives the same access to school facilities to students who wish to conduct a meeting for the purpose of engaging in religious expression as is given to secular student groups, without regard to content of the student's or group's expression. The district shall not prohibit a student from engaging in religious expression in the completion of homework, artwork, or other written or oral assignments.

## **SECTION X: STUDENT CODE OF CONDUCT**

It shall be the policy of Elida High School to encourage student conduct that will maintain a proper learning environment. This code of conduct is in effect while students are under the authority of school personnel or involved in any school activity. This includes but is not limited to school buses and property under the control of school authorities, and while at interscholastic competitions, extracurricular events, or other school activities or programs. In addition, the code of conduct applies to misconduct that occurs off school district property but is connected to activities or incidents that have occurred on school district property.

The Apollo Career Center is an extension of our school program; therefore, student who elect to attend the career center are subject to disciplinary action based upon the Student Code of Conduct of either Elida High School and/or the Apollo Career Center. Consequently, conduct and/or involvement in any activity that may or does result in disciplinary action by one school may be grounds for similar disciplinary action by the other school.

Any Violation of the code of conduct may result in a verbal or written warning, referral to a guidance counselor or social worker, parental contact or conference, community service, detention, in-school alternative placement, Tuesday-Thursday school, Saturday school, emergency removal, suspension, expulsion, or referral to law enforcement agencies.

In addition to the above-mentioned types of disciplinary action, the administration may impose disciplinary measures in the nature of after school work, repair of or payment for physical damage caused by the student, and revocation of the privilege of participation in school activities.

The administration reserves the right to exercise flexibility in the assignment of all disciplinary action and **any step found in the student code of conduct may be waived by the administration.** Individuality of the student infractions and other considerations may necessitate disciplinary action other than that specifically listed. Elida High School operates on the assumption that all disciplinary action functions on the philosophy of progression. Therefore, as referrals to the office mount, more severe penalties will be progressively implemented. The intent of this philosophy is to modify, and perhaps eliminate undesirable student behavior.

#### **RULE #1 – THREAT OR AGGRESSION TOWARDS SCHOOL PERSONEL**

A student shall not threaten or attempt to cause physical injury or behave in such a way as could reasonably cause physical injury to any school employee. A student shall neither make what may reasonably be interpreted as a threat to do bodily harm to a school employee or his/her family, nor threaten to damage personal property of an employee in or out of the school setting.

#### **RULE #2 – DAMAGE TO SCHOOL OR PRIVATE PROPERTY**

Failure to report such damage could be grounds for disciplinary action.

#### **RULE #3 – THREATENING BEHAVIOR / INTIMIDATING ACTS**

A student shall not verbally threaten, or behave in such a way as to attempt to threaten to cause physical injury to other students, school employees, or other persons while under the jurisdiction of the school and/or on school property. #### **RULE #4 – PHYSICAL AGGRESSION**

**Physical aggression is considered the act of touching, hitting or making a physical threat towards another individual while on school property or under the jurisdiction of the school.**

#### **RULE #5 –FIGHTING**

Fighting is considered mutual combat in which both parties have contributed to the conflict by provocation or physical action.

#### **RULE #9 – DISRUPTION OF SCHOOL**

A student shall not by use of violence, force, noise, horseplay, coercion, threat, intimidation, fear, passive resistance or any other conduct cause the disruption or obstruction of any lawful mission, process, or function of the school. This would include the initiating of a false alarm or some type of emergency disaster alarm. Neither shall the student engage in such conduct for the purpose of causing the disruption or obstruction of any lawful mission, process, or function of the school if a substantial and material disruption or obstruction is reasonably certain to result from his/her urging.

Gambling, card playing and any games of risk or chance are prohibited unless done so with an educational purpose under the supervision of a staff member.

## **RULE #10 – FAILURE TO ATTEND OR SERVE ASSIGNED DISCIPLINE**

Failure to attend a detention on the assigned date(s), except in extreme emergency approved by the Principal, may result in further disciplinary action. Failure to serve the entire session of a detention may result in further disciplinary action. If a student is in violation of the rules of the detention room, that student may be removed from the detention resulting in further disciplinary action.

## **RULE #11 – DISHONESTY**

- Cheating – A student shall not obtain or attempt to obtain, or aid another in obtaining credit for work, by any dishonest or deceptive means. Providing one's own work to another student to copy is also plagiarism/cheating.

## **RULE #12 – HARASSMENT / SEXUAL HARASSMENT/ DATING VIOLENCE / HAZING**

A student shall not physically harass or verbally harass school personnel, students or visitors while under the jurisdiction of the school and/or on school property. Harassment includes but is not limited to intimidation, insults, slurs, racially derogatory comments, jokes, and persistent annoying behavior, orally or in writing towards individuals based on race, color, sex (including sexual orientation and transgender identity), gender, ethnicity, religious belief, disability, or physical characteristics.

Sexual harassment includes, but is not limited to, unwanted sexual advances or unwanted verbal, non-verbal, or physical conduct of a sexual nature. A student who feels he/she has been a victim of sexual harassment should file a sexual harassment complaint in the Principal's Office.

Dating violence is defined as a pattern of behavior where a person uses or threatens physical, sexual, verbal, or emotional abuse to control the person's dating partner. A "dating partner" is any person, regardless of gender, involved in an intimate relationship with another person primarily characterized by the expectation of affectionate involvement whether casual, serious, or long-term.

Students shall not plan, encourage, or participate in any form of hazing. Hazing is defined as any act of coercing another, including the victim, to do or initiate any act against any student or other organization which causes, or creates a substantial risk of causing, mental or physical harm to any person. Permission, consent or assumption of risk by an individual subjected to hazing does not lessen the prohibition contained in this policy. Hazing activities of any type are inconsistent with the educational process and will be prohibited at all times. Violation may lead to suspension, recommendation for expulsion and/or legal action as contained in ORC 2307.44

## **RULE #13 – TRUANCY / UNEXCUSED ABSENCES / TARDINESS / LEAVING SCHOOL PROPERTY**

A student shall not be truant, have an unexcused absence from school, or be tardy to school or classes. Excused absences from school must meet with school authorization and parental consent. Only the Legal Guardian of a student may call to excuse a student's absence from school or for early release from school due to an appointment.

Truancy/Unexcused Absence from school or class is declared when a student is absent from school, or any portion of the day, without school authorization and parental consent. This includes skipping any part of a class but staying on school grounds.

Leaving school property: While under the jurisdiction of school authorities, a student may not leave school premises without proper authorization of an administrator or the school nurse. When leaving school, students are **required to sign out in the Activities Office with a secretary**. Failure to do so may result in an unexcused absence from school for the period of time that was missed.

#### **RULE #14 – MISCONDUCT NON-INSTRUCTIONAL AREA**

Student conduct in restrooms, corridors, cafeteria, on school grounds, and at school-sponsored activities on and off campus, is expected to reflect the rules of good taste and a respect for the welfare, rights and safety of others. Running, boisterousness, horseplay, and extreme loudness are not acceptable. Students are expected to comply with reasonable requests made by staff in all non-instructional areas, as willingly and as quickly as they are expected to do in the classroom. Students are expected to cooperate with custodians, secretaries, hall monitors, and cafeteria workers since these people have the necessary authority to fulfill their assigned responsibilities. Students should understand that the authority of the teacher does not end at the classroom door, but extends to every inch of the building and grounds.

#### **RULE #15 – INAPPROPRIATE BEHAVIOR AT ATHLETIC CONTESTS AND OTHER SCHOOL RELATED ACTIVITIES**

Students attending any co-curricular or school-sponsored extracurricular or related activity shall not behave in any way that disrupts or tends to interfere with that activity. Inappropriate actions may result in denial of future attendance and/or participation at athletic contests and/or other school related activities. Additional disciplinary actions as determined by building administrators may be taken.

#### **RULE #16 – MISCONDUCT AWAY FROM SCHOOL**

The superintendent or his/her designee, pursuant to O.R.C. 3313.66, may suspend or recommend for expulsion a student if they determine:

1. That the student's continued presence in the school is reasonably certain to significantly disrupt or interfere with the educational process or significantly endanger the health or safety of the students or others.
2. That the student has sold or transmitted any controlled substance or drug-of-abuse off school property or at a non-school sponsored or related activity, function or event, or has engaged in an assault or battery upon a school employee or other student off school property.
3. That misconduct by a pupil that occurs off property owned or controlled by the district but that is connected to activities or incidents that have occurred on property owned or controlled by the district.

#### **RULE #17 – SMOKING / TOBACCO PRODUCTS AND PARAPHERNALIA**

Students shall not possess, use, transmit or conceal cigarettes, tobacco or look-a-like tobacco products including smokeless tobacco products, electronic smoking or vaporizing devices, lighters, matches, or other smoking-related items on school property, on school transportation, or at any school-related activities or event, at any time, under any conditions. The item does not need to contain nicotine to be considered a violation of this rule.

Students found to be in violation of this policy may be suspended.

#### **RULE #18 – ALCOHOL, NARCOTICS, DRUGS, COUNTERFEIT CONTROLLED SUBSTANCES AND PARAPHERNALIA**

To promote an alcohol and drug-free school system, Elida Local Schools enforce regulations which prohibit student contact with and/or consumption of alcoholic beverages, intoxicants, and drugs-of-abuse. Students found in violation of this policy may be suspended and/or expelled from school. Additionally, depending upon the nature of the offense, the student may be referred to law enforcement where any potential criminal charges may be filed.

#### **RULE #19 – PROFANITY AND/OR OBSCENE LANGUAGE OR GESTURE**

A student shall not use profanity or obscene language, either written or verbal, in communicating with any other person. Included in this prohibition is the use of obscene gestures, signs, pictures, or publications. Inappropriate Displays of Affection such as embracing, kissing, or caressing one another in a situation or other circumstances deemed inappropriate will be considered inappropriate gestures.

## **RULE #20 – REPEATED SCHOOL VIOLATIONS**

A student shall not repeatedly fail to comply with the directions of any authorized school district personnel during the period of time when the student is properly under the authority of school personnel. A student shall not accumulate various infractions of the Code of Conduct.

Repeated offenses and violations of school rules and regulations may follow a disciplinary progression of suspension from school with the possibility of an expulsion recommendation.

## **RULE #21 – SCHOOL TRANSPORTATION**

Students on a bus are under the authority of, and directly responsible to, the bus driver. The driver has the authority to enforce the established regulations for bus conduct. Violations of bus transportation rules or refusal to submit to the authority of the driver is sufficient reason for refusing transportation services or suspending transportation services to any student. This discipline would be applicable to both daily riding privileges as well as any district field trips or activity trips.

## **RULE #22 – THEFT / ATTEMPTED THEFT / EXTORTION**

A student shall not cause or attempt to take into possession the public property or equipment of the school district or the personal property of another student, teacher, visitor, or employee of the school district. In the event of theft, the student may be required to make full restitution. Criminal charges may be filed.

No person shall receive, retain, or dispose of property of another knowing it to have been, or having reasonable cause to believe that it had been obtained through theft.

No student shall obtain money, items of value, or special favors from anyone by implied force.

## **RULE #23 – ABUSE OF TECHNOLOGY**

A student shall not abuse the school district's hardware or software. Violations include, but are not limited to, the following: unauthorized access; tampering with computer programs, data disks and hard drives; using equipment to make unauthorized or illegal duplicate copies of computer software; damaging or destroying computer hardware or software; and using school district computer facilities for purposes unrelated to the instructional program of the district, unless written permission from a school official has been obtained.

## **RULE #24 – WEAPONS AND DANGEROUS INSTRUMENTS**

A student shall not possess, handle, transmit or bring a weapon on school grounds or conceal any weapon, dangerous instrument, explosive device, counterfeit weapon or object which a reasonable person might consider, under the circumstances, capable of harming a person or property. Included in this prohibition is the possession or use of chemicals and gases, such as mace and stink bombs.

Other more commonplace devices, which are not normally considered weapons, may, under certain circumstances, be used as a dangerous weapon. If a student uses such a device in this fashion, it will be considered a violation of the rule on weapons.

This guideline applies on the school grounds; during, before, and after school hours, and off the school grounds, on a school bus, or rented carrier, at any school activity, function, or event.

## **RULE #25 – BULLYING/CYBERBULLYING**

Harassment towards a student, whether by other students, staff or third party is strictly prohibited and will not be tolerated. This prohibition includes physical, verbal and psychological abuse and any speech or action that creates a hostile, intimidating or offensive learning environment.

Nonverbal harassment includes the posting of offensive objects, pictures or graphic commentaries in the school environment or in other forums.

Aggressive behavior is defined as inappropriate conduct that is repeated enough to negatively impact a student's educational, physical, or emotional well-being.

### **RULE #26– OTHER SITUATIONS**

The administration has made every attempt to develop rules and regulations in the Student Code of Conduct, which would address most of the situations that could occur. It should be noted that other possible student conduct, not mentioned specifically in the “Student Code of Conduct”, but reaching the gravity outlined by these rules, in terms of persistent disobedience or gross misconduct as elsewhere defined may be grounds for disciplinary action. It is the responsibility of the building administration to take sensible and responsible action to protect the educational process from disruption and/or safety and welfare of students and staff in the school building.

## **SECTION XI: GIFTED INFORMATION**

### **DEFINITIONS**

“Gifted” means students who perform or show potential for performing at remarkably high levels of accomplishment when compared to others of their age, experience, or environment and who are identified under division (A), (B), (C), or (D) of section 3324.03 of the Revised code.

### **SCREENING AND ASSESSING**

The District uses a three-part approach to screen students who perform or show potential for performing at high levels of accomplishment in the areas of superior cognitive ability, specific academic ability, creativity, and visual and/or performing arts.

#### **Stage I:**

#### **PRE-ASSESSMENT**

The pre-assessment part of the process involves gathering student data from a variety of sources including teacher, parent, and peer nominations, grades, portfolios, observations, review of student records, and outstanding products or performances, etc. All students are involved in the pre-assessment pool. By using the pre-assessment process, the district ensures equal access to screening and further assessment by all district children, including culturally or linguistically diverse children, children from low socioeconomic backgrounds, children with disabilities, and children for whom English is a second language.

#### **Stage II:**

#### **ASSESSMENT FOR SCREENING**

The screening stage examines the data gathered from the pre-assessment stage and determines if additional assessment is necessary.

In making decisions about additional assessment, existing test data for students is not the sole determining criteria. School personnel examine all available information about a student to determine if an evidence of possible giftedness exists for that student and conduct necessary additional assessment

District-determined cut-off scores, to move students from screening stage to the assessment stage, are lower than the scores necessary for identification. Parents must be notified within thirty days of the results of screening.

### **Stage III:**

### **ASSESSMENT FOR IDENTIFICATION**

Assessment strategies provide additional data necessary for an identification decision and the delivery of services. Strategies for additional assessment include the individual and group-testing requirements of Sections 3324.01 – 3324.07 of the Ohio Revised Code; and as described in the Gifted Identification pamphlet.

Once additional assessment has been completed, the data obtained throughout the stages of identification are evaluated, the identification decision is made and student's educational needs are determined.

### **REFERRAL**

The district ensures ample and appropriate scheduling procedures for assessments and reassessment using.

- Group tests;
- Individually administered tests;
- Audition, Performance;
- Display of work;
- Exhibition; and
- Checklists.

Children may be referred on an ongoing basis, based on the following:

- Child request (self-referral);
- Teacher recommendation;
- Parent/guardian request;
- Child referral of peer; and
- Other (e.g., psychologist, community members, principal, gifted coordinator, etc.)

Upon receipt of a referral, the district will

- Follow the process as outlined; and

The district shall provide at least two opportunities a year for assessment in the case of children requesting assessment or recommended for assessment by teachers, parents, or other children.

### **GENERAL**

The district ensures that any child transferring into the district will be assessed within 90 days of the transfer at the request of the parent. Parents shall contact the building principal.

### **SERVICES**

The District ensures equal opportunity for all district students identified as gifted to receive services offered by the district.

### **WITHDRAWAL**

If at any time, a student wishes to withdraw from gifted programs or services, the request should be written by the parent or child to the building administrator. If children request to withdraw, parents will be notified.

- Screening procedure or assessment instrument (which results in identification);
- The scheduling of children for assessment;
- The placement of a student in any program; and
- Receipt of services.

Parents should submit a letter to the superintendent or designee outlining the nature of the concern.
